

TEXAS ELKS STATE ASSOCIATION VOCATIONAL GRANT PROGRAM REGULATIONS

The program is open to **any** prospective student, 18 years of age or older, planning to pursue an eligible vocational / technical (VOC/TECH) course within the State of Texas, above and supplemental to high school or preparatory school level.

Each applicant must be a **citizen of the United States of America and a resident of Texas** on the date the application is submitted. While graduating high school seniors may apply, the program is not limited to high school students. A high school diploma or equivalent GED is not required. Only one application per individual may be submitted and it must be submitted to the local lodge or the State Chairperson, as instructed below*.

The definition of an eligible program is defined as a **2-year or less vocational or technical** program, culminating in a terminal associated degree, diploma or certificate, but less than a baccalaureate program (Bachelors degree). **A student must plan to carry the minimum number of credit hours required each term or semester to be considered a full time student.** The grant may be used for vocational night school, but may not be used for part-time study.

The Vocational Grants are issued in the form of Certificates by the Texas Elks State Association (TESA), conditioned upon the enrollment of the individual as a student in a VOC/TECH course at a **College or VOC/TECH school** within the State of Texas. The monies represented by the certificate will be sent directly to the school, **ONLY** after the office of TESA has received the Verification of Enrollment form, completed and signed by the proper officials of the school to be attended. Grants may not be used to cover

retroactive charges, and may NOT be used to cover general at-home living, car payments or childcare costs. This grant will not cover payments for any tuition expenses incurred prior to the date of the grant award.

Applicants must file entries only on the official application form furnished by the Texas Elks State Association. Use of any other form will result in disqualification from grant consideration. The official TESA form may be reproduced if necessary.

Please Note: Incomplete applications will not be considered. It is imperative that all information be set forth, including information as to the applicant's costs to attend the chosen course, so that TESA may evaluate the applicant's needs appropriately.

The State Chairman will notify applicants within thirty (30) days of award of the Vocational Grant.

All applications become the property of the Texas Elks State Association.

***Mail or deliver completed applications to the local Elks lodge nearest your residence. If there is no local Elks lodge in your area, please forward directly to the State Chairperson, as follows:**
